LOUDEST ADVOCACY MOMENTS

UNMUTED Campaign!

UNMUTE Campaign! This was HUGE! During 16 Days of Activism (Nov-Dec 2025), we amplified survivors' voices, culminating in a powerful digital campaign and photo exhibition that spotlighted gender-based violence.

40

Feminist Leaders from 17 African countries convened to strengthen collective power to end violence against women and girls across Africa, in our flagship African Feminist Leadership Academy

Plus...

Collated and synthesized feedback for the African Feminist Sexual and Reproductive Health & Rights Charter with 40 participants and 24 organizations committing to integrate it into Beijing+30 national advocacy. Be on the lookout for more information on this revolutionary charter in 2026!

Convened the African Feminist Just Transition Forum during the Africa Climate Summit in Addis Ababa. Together, we developed the African Feminist Just Transition Position Paper, amplifying women and girls' priorities and advocating for feminist climate justice integration into the final Addis Ababa Declaration.

PROTECT WOMEN AND GIRLS

#ENDFEMICIDE

GIRLS & YOUNG WOMEN AS THE MAIN CHARACTER

Mali Girls & Young Women Shaping SRHR & GBV Policy

Supported girls and young women from Mali to move from beneficiaries to recognized policy actors, jointly drafting and submitting a memorandum on reproductive health, child marriage, and GBV to national decision-makers.

Launched the Climate Change Awards in Mali, a youth-led digital campaign reaching 17,800+ young people, spotlighting the climate emergency and its links to gender equality.
